

PRINCESS MCDOWELL

FACILITATOR | CULTURAL PRACTITIONER

ABOUT ME

I am a learning and development program management professional with deep experience in community relations and event management. My strengths include facilitating presentations and workshops for diverse audiences and curriculum development and training delivery. I have achieved recognition for scoring highly on post-event surveys and am interested in building global cultural initiatives in my next role.

EXPERIENCE

Workshop Facilitator

Big Thought & CoolSpeak

2017-2021; 2023

- Craft, present and lead students in workshops designed to encourage practice of literary elements and SEL tenets.
- Create safe spaces for sharing, accepting care, and offering constructive feedback.
- Facilitate with artists and ensure effective time management.

Project Team Lead

826 National

MAR 2020-JUN 2020

- Researched, designed, formatted and wrote a project lesson plan that allowed space for students to process the current moment in history.
- Created all digital documentation to facilitate observable and interruptible interaction between students and volunteers in a virtual environment.
- Oversaw the overall publication of the book, including manuscript creation and coordinating a smooth revision experience with designer and publisher.
- Supported the planning and execution of the student's Virtual Launch Party, the community-wide launch party and curated a unique unboxing experience for students to feel connected and excited about the official book launch.

Event Host & Panelist

Louder Than A Bomb & Young DFW Writers

2016

- Curated safe spaces for youth by Hosting poetry slams for high schoolers learning the craft and sharing for the first time.
- Shared my writing and performances experiences as a national touring artist during the school's Literary Festival.
